

Jobs at Home

Job duties at home are sometimes called chores. People do these jobs to maintain their home. Parents and children often share the jobs to keep a house clean and organized. Chores are one important way children learn how to be responsible. Below are some typical jobs people do at home. Check the jobs, or chores, you sometimes help with at home. Then check if you enjoy that job.

Speech Therapist

Speech therapists listen to children speak and decide which children need help learning how to make sounds the right way. Learning how to speak with the correct sounds makes it easier for people to understand the talker. Speech therapists also help people improve their voices if needed. They work closely with the teachers, parents and the students.

Draw a picture of your school speech therapist.
